MEMORANDUM FOR: All Multifamily Regional Center Directors  
All Multifamily Satellite Coordinators  
All Multifamily Branch Chiefs  
All Multifamily Supervisory Project Managers

FROM: Robert G. Iber, Acting Director, Office of Asset  
Management and Portfolio Oversight, HTN

SUBJECT: Renewal of Expiring Project Assistance Contracts (PACs) Under the  
Section 202 Program of Supportive Housing for the Elderly and for  
Persons with Disabilities for Fiscal Year (FY) 2017

This memorandum provides instructions for renewing expiring Project Assistance Contracts for Section 202 between October 1, 2016 and December 9, 2016. Congress provided authority to renew PACs during this period through the Continuing Appropriations and Military Construction, Veterans Affairs, and Related Agencies Appropriation Act, 2017, and Zika Response and Preparedness Act (Public Law 114-223) (September 2016). Your office can also continue processing renewals for contracts expiring after December 9, but you may not sign these contracts until enactment of a bill covering the timeframe of renewal. Our office will provide additional guidance for renewing any contract that expires after December 9<sup>th</sup> as soon as there is Congressional action.

Owners must submit an operating budget for all projects with an expiring PAC. If the owner is requesting an increase in project assistance, the request must detail project needs and summarize the reasons why an increase in project assistance is needed, including necessary increases to the Reserve for Replacement Account. An increase in the project assistance should be effective the day after the contract expiration, i.e., the first day of renewal. For renewal of contracts expiring from October 1, 2016 through December 9, 2016 regional offices should insert "*Public Law 114-223 (September 2016)*" in Section 4.b of the PAC contract.

For general guidance on requesting and processing a rent increase, consult HUD Handbook 4350.1, *Multifamily Asset Management and Project Servicing*, Chapter 7 as modified below.

1. Disregard paragraph 7-30.P. of HUD Handbook 4350.1. The budget will no longer include a two percent contingency reserve for PAC projects owned by non-profits and those projects once owned by non-profits that have been sold to limited dividend partnerships. In its place, an owner may include a typical vacancy factor not to exceed five percent.
2. PAC projects with low income housing tax credits may include in their budgets only those usual and customary fees and expenses for operating a tax credit project, including payment of the equity syndicator's asset management fees; state allocating

agency's compliance and asset monitoring fees; mandatory interest payments of up to one percent due on subordinate debt provided by a governmental lender; and deferred developer's fees, plus interest accrued at the applicable federal rate, which may be deferred for no more than 12 years. The deferred developer's fee may be included as an operating budget line item but may only be paid from surplus cash.

In order for field offices to adequately review and timely process PAC renewal packages, owners should submit requests for renewals of PACs to field offices no later than 120 days prior to the expiration of the contract. The renewal term shall not exceed one year.

Owners of PAC projects cannot use funds remaining under the existing contract. The Department will be recapturing these funds.

Attached is a list of projects with a PAC that have or will expire this fiscal year (Attachment A).

No action is necessary by the Regional Center to request renewal funding. Funding for initial and subsequent PAC renewals will be provided automatically by OAMPO, Financial Operations Division (FOD). In the event that renewal funding was not provided, the Regional Centers should submit the continual needs of the missed project on the HACAO/FOD's Funding SharePoint site at

[http://hudsharepoint.hud.gov/sites/DASMFH/OHACAO/FOD/FOD\\_Funding/default.aspx](http://hudsharepoint.hud.gov/sites/DASMFH/OHACAO/FOD/FOD_Funding/default.aspx). This site provides a centralized forum for funding issues. The attached contract renewal form (Attachment B) must be executed upon reservation of the project rental assistance funds.

For further information regarding renewal policy, please contact Stan Houle at 202- 402- 2572 and on funding issues, please contact Marina McCulley-Boyd at 202-402-2062 or Chiara Law at 202-402-3842.
